MY FRIEND MIKE

I have a friend from the United States, and he arrives in Brazil next week. His name is Mike.

I like Mike very much. He is a good friend. When he arrives at the airport, I want to take Mike home for lunch. Then he wants to see my city and, on the weekend, I want to take Mike to the beach.

When we finish visiting everything we want to see, I want to take Mike to my farm. He likes horses, and I have many beautiful horses on the farm.

My father and my mother want to meet Mike because when he goes home to the States he wants me to go too.
